

Amendments to the Harmonized System Explanatory Notes – HS Committee 59th Session

The following list contains the decisions taken by the Harmonized System Committee (59th Session – March 2017) concerning amendments to the Harmonized System Explanatory Notes, applicable as of 1 June 2017. This publication will be updated regularly.

The Harmonized System Explanatory Notes are published by WCO in 5 volumes (2017 edition) and reflect the official interpretation of the Harmonized Commodity Description and Coding System. They also contain the text of the Subheading Explanatory Notes indicating the scope and content of certain of the Harmonized System Subheadings. The Explanatory Notes are available in English and French, the two official languages of the WCO, and can be ordered directly (see “Bookshop” on this Web site). They are also available on-line.

The amendments listed below are reproduced in the order of the current pages concerned and will be incorporated into the aforementioned WCO publications in due time by replacing the pages affected by the amendments made.

Advice

Parties seeking to import or export merchandise covered by a decision are advised to verify the implementation of the decision by the importing or exporting country, as the case may be.
