# “Arrival at exit” notification

The screenshot shows the TULLI Export Declaration Service interface. At the top, there is a header with the TULLI logo, 'TULL · CUSTOMS | Export Declaration Service', and navigation links for 'Suomeksi', 'På svenska', and 'www.tulli.fi'. Below the header, there are tabs for 'Front page', 'Search', and 'Declaration', with 'Declaration' being the active tab. The user ID 'ft72o2 (6623005-2)' and a 'Log out' link are visible. A 'Hide Help' button is also present.

On the left, there is a sidebar with a 'Make a new declaration' section containing links for 'Declaration cover page', 'Arrival at exit' (highlighted), and 'Sending page'.

The main content area is titled '"Arrival at exit" notification' and contains several form sections:

- MRN of the export declaration \***: A text input field.
- Transport operator**: Fields for 'Operator ID \*' (FI, [ ], T) and 'Name \*'.
- Declaration data**: Fields for 'Data exchange language' (FI - Finnish), 'Declaration date \*' (05.02.2018), and 'Declaration location \*'.
- Location of goods at the place of exit**: A note that one of three items is mandatory, followed by fields for 'Customs office code (\*)', 'Geographical location (\*)', 'Warehouse ID (\*)' (FI, [ ], R), and 'Actual customs office of exit \*'.

At the bottom, there are buttons for 'Save as draft', '<< Previous', 'Cancel', and 'Next >>'.

A 'Help' popup window is visible, containing the text: 'Enter the MRN of the export declaration relating to the "Arrival at exit" notification.' and a 'Help' link. A red circle highlights the 'Help' button in the popup, and a green line connects it to a text box on the right.

On the right, there is a 'Call center' section with a phone icon and contact information: 'Support Service private customers tel. +358 295 5206 (Mon-Fri 8am-6pm), business customers +358 295 5207', '0 cents/min + local network rate/standard mobile rate/', and a link to 'Frequently asked questions'.

\* = mandatory  
(\* ) = conditional

“Help” will guide you in completing the declaration when you move the cursor to the field to be filled in. Click the link “Help” for more guidance

# “Arrival at exit” notification: Data content

Enter only one export MRN per notification

**Transport operator:** Enter the operator’s EORI number and the extension issued by Finnish Customs (e.g. T0001), which gives the right to submit “arrival at exit” notifications

**Declaration data:** select language, date and declaration location

**Location of goods at the place of exit:** Enter the location of the goods at the time when the notification is submitted by selecting one of following alternatives:

- customs office where Customs can examine the goods if needed
- geographical location: enter the street address of the warehouse / container yard
- warehouse ID issued by Customs to the temporary storage facility located at the place of exit (e.g. FI + Business ID + R0001)

Actual customs office of exit: enter the customs office in Finland (code) where the goods are loaded onto the vessel/airplane/train that will exit Finland
