# Exit notification

The screenshot shows the TULLI web application interface. At the top, there is a header with the TULLI logo, the text 'TULLI TULL · CUSTOMS', and 'Safety and Security Declaration Service'. There are also language options for 'Suomeksi' and 'På svenska', and the website URL 'www.tulli.fi'. Below the header, there are navigation buttons for 'Front page', 'Search', and 'Declaration'. The 'Declaration' button is highlighted. To the right of the navigation buttons, there is a user identifier 'yx2p63 (0245442-8)' and a 'Log out' link. Further right, there is a 'Hide Help' button. The main content area is divided into three sections. On the left, there is a sidebar with a '590 Exit notification' header and a list of menu items: 'Declaration front page', '590 Exit notification' (highlighted), 'Basic information', and 'Summary and sending'. In the center, there is a form titled '590 Exit notification' with four input fields: 'Transaction identifier', 'Declaration registration date', 'State of the declaration' (with a dropdown arrow), and 'Web reference'. On the right, there is a 'Help' window with a question mark icon and the text 'No Help available.' and a 'Help' link.

The information comes from Customs' system, the declarant doesn't complete this page.
