### Private person's declaration of removal goods imported from outside the customs and/or fiscal territory of the EU

#### 1. Information on removal goods

If the removal goods contain goods that are subject to taxes such as alcoholic beverages, tobacco products or other goods ruled out in the Duty Relief Regulation, such as commercial means of transport, use [form 1143](#).

#### Account of living abroad outside the EU customs and/or fiscal territory

Provide the date when you have moved to Finland as well as the country from which you have moved. Also provide the time period of living outside the EU customs and/or fiscal territory. If you were born and you have resided outside the EU customs and/or tax territory your entire life, enter your date of birth and the date you have moved to Finland here.

If your removal goods contain other than those that belong to your private household or if goods have not been used by you or your family outside the EU customs and/or tax territory for at least six months, use [form 1143](#).

For vehicles, enter the identification number (VIN). If you are bringing several motor vehicles, provide the required information for all the vehicles. You can continue providing details in the section "additional information".

#### 2. Consignment details

Enter the name of the consignor.

Enter the country of dispatch, i.e. the country from where the goods were originally sent.

You'll find the consignment details in the arrival notice sent by the transport company. Provide the following details:

- arrival ID or consignment ID provided by the transport company
- MRN of previous document provided by the transport company and goods item number
- arrival date of the consignment
- name of transport company

- the terms of delivery you have agreed on with the consignor. If you are paying the transport costs, the terms of delivery are usually "EXW", "FOB" or "FCA". If the consignor pays the transport costs, the terms of delivery are usually "CIP", "CPT", "DAP" or "DDP".

If the consignment is delivered by Posti, enter Posti's handling fee. You can find the amount to be paid in Posti's notice of arrival. Information on the handling fee is requested because you have to pay VAT on the fee. If the consignment is delivered by Åland Post or some other transport company, do not enter anything for "Posti's handling fee."
